

Are you or someone you know residing in the Centerburg School District, in need of food?

The Jacque Cordle Children's Fund Food Pantry will provide you with 7 days of food monthly. For homebound Seniors, we offer monthly delivery. Any size family (1 or more) are welcome.

Did you know?

Centerburg LSD residents have multiple assistance programs available and that qualifying for one does not exclude you from others. That's right, qualified residents can obtain monthly food assistance from the **ISS, Meals on Wheels** (provided by the Senior Center), and **Jacque's Pantry**.

There should never be empty tummies when food is plentiful.

Food is waiting for you if you are in the Financial Guidelines listed below.
